TIPS:

1. Shop in advance – shopping up to 8 days in advance can get you the industry’s largest discount with some companies.
2. DO NOT LET YOUR INSURANCE LAPSE – If you insurance has been cancelled or lapsed, you may pay an increased premium.
3. List all violations/accidents – Companies require reports to be run so it will show up.
4. Stay with one company for at least 12 months.
5. There is NO SUCH THING as a grace period. Pay on time. Most companies will not cancel you immediately. However, they can and some are. A cancellation or non-renewal CAN cost you extra.
6. Credit matters with most companies!
